TASTING NOTES

The 2022 Chardonnay showcases a combination of 4 distinct blocks from the Hudson Estate planted to Heritage Shot Wente clone. We hand select barrels from each site to create a Chardonnay that fully expresses the elegant and balanced style of Hudson Vineyards.

Hudson produces grapes of distinction from 200 acres of estate vineyards situated in the heart of the rolling hills of Napa Valley's Carneros District. Forty years of meticulous winegrowing and winemaking experience goes into each bottle of Hudson wine. Our deep understanding of the intricate combinations of soil, climate, rootstock, clone, and scion, combined with our management of each vineyard block, allows us to produce premium wines with an intense varietal expression found only at Hudson.
