### WINEMAKING

The Rosé was whole cluster pressed and fermented in an egg-shaped concrete tank. Once primary fermentation was completed, the wine was racked and aged for an additional 4 months in a combination of neutral 500L puncheons and stainless-steel barrels. It was then bottled in early February 2024.

### TASTING NOTES

Our 2023 Grenache Rosé with its classic pale salmon color indicating it's bone-dry natural beauty. Its aromas of rose petal and strawberries join seamlessly with thirst quenching smooth, crisp, well-structured drinkability. It's a year-round reminder of our spring orchard in full bloom.

Hudson produces grapes of distinction from 200 acres of estate vineyards situated in the heart of the rolling hills of Napa Valley's Carneros District. Forty years of meticulous winegrowing and winemaking experience goes into each bottle of Hudson wine. Our deep understanding of the intricate combinations of soil, climate, rootstock, clone, and scion, combined with our management of each vineyard block, allows us to produce premium wines with an intense varietal expression found only at Hudson Vineyards.
